Mobile Number:	Home Number:

Wychbury Medical Group offers our patients the opportunity to receive practice correspondence by email and/or text messaging. We will use email and/or text messaging to communicate about **non-urgent** issues such as:

- Appointment reminders
- Routine blood test request and results
- Recall screening
- Disease monitoring
- Important practice updates

We will limit correspondence to registered patients who are 18 years or older, or the legal representatives of registered patients. Please be aware that all correspondence will be made a part of your medical record. We will not disclose your email address to anyone outside the practice.

Risks

Communication by email and text messaging has a number of risks which include, but are not limited to, the following:

- Email and text messages can be received by unintended recipients (**Please ensure that you notify us of any changes to your contact details**)
- Email can be circulated, forwarded and stored in paper and electronic files
- Backup copies of email may exist even after the sender or the recipient has deleted his/her copy.
- Email can be intercepted, altered, forwarded or used without authorisation or detection
- Email and text messaging senders can easily type in the wrong email address
- Email can be used to introduce viruses into computer systems
